Dear Prospective Member:

On behalf of one of the most vibrant business communities in the State of West Virginia, we want to thank you for considering membership in the Morgantown Area Chamber of Commerce. Business, government, and community leaders nationwide have recognized the Greater Morgantown area for its sustained economic growth in the areas of healthcare, defense, energy, and education. The Chamber is leading this effort and we want you to be a part of it.

For those contemplating new membership, we invite you to give us a call or visit us on-line to learn more about the varying ways that being a member can add value to your business. The Chamber has maintained its commitment over the years to public service, networking, research, and educational programming for our members and investors. While we will still look for you at our Annual Dinner, Fall Golf Classic and monthly "Business After Hours" events, we have sought to offer much more, such as:

- Seminars on communications, leadership and diversity
- Expanding our partnerships with various lenders to secure funding for entrepreneurs and small business start-ups
- Research and comparative analysis of our community and its competitors
- Promoting collaboration in the area of community and economic development
- Leadership at the State Capitol, including the recent passage of House Bill 4009 which provides for more local decision-making in funding for major transportation infrastructure projects
- Advocated in favor of the "Brunch Bill" county-wide referendum and in favor of renewing the Excess Levy to support Monongalia County Schools
- Support of the continued development around Monongalia County Ballpark and the new West Ridge Business Park
- Lobbying for the expansion of the Morgantown Municipal Airport
- Continued membership in the Morgantown Area Economic Partnership
- Working with Sunnyside Up and West Virginia University on the issue of the development of affordable housing to meet our expanding workforce needs

We can point people to your business through our newsletters, web pages, social media and direct member-to-member contact. We are also a proud partner with ChamberMaster, a leader in providing innovative ways for Chamber members to take advantage of the many benefits of their membership, including the use of a mobile app where you can directly interact with us and other members. You can find additional information about our various membership plans and sponsorship opportunities on our website at [morgantownchamber.org](http://morgantownchamber.org).
